

CLAY PIGEON SHOOTING

AL THANDIWE SAFARIS

CORPORATE EVENT DAYS

Clay target shooting is fast becoming one of the most popular forms of corporate hospitality and provides an especially exciting way to promote your business, entertain your customers or motivate staff at every level.

Our shooting ground is open for corporate and group days throughout the year. The enthusiasm of our instructors will ensure that whatever your age or standard you will not forget your experience.

We tailor packages to suit every client's needs.

Even if your guests have never shot before we ensure that everyone is successful and has an enjoyable experience.

FULL HOSPITALITY AND ACCOMMODATION FACILITIES

We arrange full hospitality programmes with Food and Beverage services. Our programmes can be tailored to fit into one day or more, incorporate competitions, prizes or any other specific requirement. Our only aim is your complete satisfaction.

We have permanent accommodation facilities for up to 28 guests.

We have a business relationship with Hayward Safaris to provide a luxury mobile safari camp of international 5-star standards – Haywards provide accommodation in a true African Colonial style for up to 240 guests in fully air-conditioned en-suite tented bedrooms.

MEET-'N-SHOOT

Al Thandiwe provides a great way to have an offsite meeting in our natural surroundings, followed by a fun session of team building or any programme to suit your needs.

BUSINESS FACILITIES

Meetings can be combined with events all year round. Our Bush Lodge provides meeting and conference facilities for intimate executive meetings or executive team development events. We could facilitate larger conferences in luxury tented facilities for groups up to 240 delegates.

ADVENTURE AND ACTIVITIES

The Al Thandiwe shooting range is situated on a 7 500 ha game ranch. Al Thandiwe boasts most of the African large plains game species, an abundance of small game and the mountain ranges hosts some of the finest specimen of African Leopard.

At Al Thandiwe we explore nature at its best on foot, in open seated land cruisers, on quad bikes, mountain bikes, even hot air balloons (by prior arrangement).

Our shooting range further comprises rifle and bow target and 3D shooting facilities.

Come and explore the diversity of South African food with us. Our interactive culinary experiences boasts a variety of dishes from traditional Cape Kidgeriee (fish and rice) to Klapper Tert (coconut pie), from potbrood (pot bread) and bread pudding to sosaties (kebabs) and kudu schnitzel with guests discovering the art of cooking stooped in African tradition and heritage.

We facilitate hands-on cooking lessons in small groups as part of corporate events and executive team development programmes.
